

The Blue Cellar Trio

Standards, swing, and late-night blues for rooms that want to talk and listen.

“Effortless, elegant, and exactly the right volume.” — Parkline Hotel events team

Bio

Piano, upright bass, and drums — plus a rotating horn player when the room calls for it. The Blue Cellar Trio plays the Great American Songbook, hard bop, and soulful blues at a volume that lets people hear each other. We're a favorite for hotel lounges, cocktail hours, galas, and restaurant residencies across Southern Illinois. Custom set lists and first-dance arrangements available.
