

The Shindig Kings

Six-piece party band for weddings, galas, and company nights that need a dance floor.

“Our guests are still talking about the dance floor.” — a very happy bride

Bio

The Shindig Kings play the songs everybody knows — Motown, '80s, '90s, country crossovers, and today's hits — with a horn section and three lead singers. We handle the whole night: ceremony and cocktail-hour sets, MC announcements, first dance, and a playlist between sets. Over 150 weddings and corporate events across Southern Illinois and Western Kentucky.
