

Wildflower Revival

A loving tribute to the Fleetwood Mac catalog — harmonies and all.

“*“Closed our eyes and it was 1977.” — Bluff Road Winery*”

Bio

Wildflower Revival recreates the lush harmonies and deep cuts of Fleetwood Mac's classic era. Five players, three singers, and a lot of shawls. Our two-hour show moves from the blues years through the big hits, and we're a staple at theaters, festivals, and summer concert series.

Genres
